# UNIQUE PROPERTIES OF KANGEN WATER

## 1. POWERFUL ANTI-OXIDANT

Kangen water provides extra electrons that neutralize destructive free radicals circulating throughout the body. Kangen water carries a high negative ORP (Oxidation-Reduction Potential) when it is first produced, making it a potent anti-oxidant.

The higher the negative number the greater the potential to reduce the levels of Oxidation in the body.

## 2. ALKALINITY

Kangen water raised tap water pH by ionizing or splitting the water molecules ( $H_2O$  resulting in the ions  $H^+$  (hydrogen with a positive electrical charge), and  $OH^-$  (hydrogen with negative electric charge), as well as ionic alkaline minerals.

## 3. MICRO CLUSTERED

The process of ionization reduces the size of the water cluster by two thirds and creates a hexagonal shape. Similar, hexagonal water clusters easily hydrate the cells, enhancing waste removal.

## 4. HYDROGEN ENRICHED WATER

The molecule of hydrogen water is small enough to penetrate into cells deeply. The utmost thing is hydrogen water can neutralize ROS. Reactive Oxygen Species which are notorious for destroying normal cells or distorting DNAs. Besides, you can also enjoy helpful minerals dissolved in hydrogen water.

Your health is in the balance

# HEALING IS VOLTAGE !

## How to Recharge Your Body-Battery

Every cell in the body is designed to run at -20 to -25 millivolts. To heal, we must make new cells. To make a new cell requires -50 millivolts. Chronic disease occurs when voltage drops below -20 and/or you cannot achieve -50 millivolts to make new cells. Thus chronic disease is always defined by having low voltage. This book tells you how to measure your voltage in each organ, how to correct it, and how to determine why your voltage dropped enough to allow you to get sick.

Healing Is Voltage : The Handbook, Jerry Tennant, MD, MD(H), PSc., D

Cell Voltage	Cell pH	Body Changes
-50	7.88	Make new cells
-45	7.79

Kangen Water is the king of antioxidant

## DR OTTO HEINRICH WARBURG

Discovered the real cause of cancer in 1923 and received the Nobel Prize for Physiology in 1931

In his work the metabolism of tumours he demonstrated that all forms of cancer are characterized by two basic conditions :

ACIDOSIS and HYPOXIA (lack of oxygen).

**Cancerous tissues are Acidic, Healthy tissues are Alkaline.**

"Deprive a cell 35% of its oxygen for 48 hours and it may become cancerous."

Disease can not exist in Alkaline environment

Robert G. Wright

"Bob gives you here a fabulous 'User's Manual' for your body. He says he's giving you 'the truth' and he's right. I've read dozens of books on healing cancer using natural substances - the why and how. This is the best. I've written and published three such books myself. This is the best. Bar none." —Bill Henderson, Author of "Cancer Free"

*Killing Cancer-Not People* is about what cancer really is; how to prevent it and how to heal it. This is your cancer Bible.

This book is unique in that it tells the user exactly what tens of thousands of people have done to heal their cancers naturally - and it exposes the real truth about conventional cancer treatments.

You will learn - what really works to heal cancer; what the cancer industry will not tell you about the efficacy of conventional cancer treatments; how you can prevent cancer in your life even if there is a history of cancer in your family; how a certain kind of water may save your life; how a certain simple test can predict cancer up to 3 years before traditional testing can detect it; what tens of thousands of cancer sufferers have done to heal their disease; what really works and what doesn't to heal cancer.

This book is about truth. Cancer truth. It is not a 'fed good' monologue to help stricken Americans come to terms with their out-of-whack cellular systems (cancer). No, this is real life. This is about cause and effect - the breakdown of the human organism and its resurrection by natural means. No smoke and mirrors here. No false statistics, no unproven theories or bogus 'facts.' As Joe Friday used to say on 'Dragnet', 'Just the facts, ma'am.' And that's all that you'll find here.
